

A Worship Minute...

In our journey through Lent to date, we have been looking to mirror Christ's humility and obedience and to believe in Jesus, our Saviour – God's rescue plan, in our daily walk as Christians.

“Just believe. We are born to a new way of seeing and living, and believing. A believing type of person that we are called to be and become more so and more so every Lent.” – Pastor Jonathan

Today, as we evaluate our lives and strive to become more Christ-like, we lay down falsehood, slander and malice and pick up the attitude of love. God's grace and love for us, shown through Christ on the Cross and His resurrection, is our example, our motivation. Motivation to be more loving...to turn away from bitterness, anger, slander and to show compassion, forgiveness, kindness and love.

“Follow God's example, therefore, as dearly loved children, and walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.” Ephesians 5:1-2
