

**A Worship Minute.....**

**Holy Lamb of God**

By Gary Sadler and Steven V. Taylor /  
Performed by Women of Faith Worship Team  
Liturgical Dance by Anointed Joy

A virgin cried when you were born / Tears of joy and tears of pain /  
As Heaven's angels watched in wonder  
How could You the Ancient One / In the frame of man be bound /  
Lying there with feet and hands  
Fully God and fully man

Who could see and who could know / You had left Your kingdom's throne /  
Baby crying in a manger  
You had come to give Your life / As a holy sacrifice /  
Nails would pierce Your feet and hands  
For every heart and every man

Now You are the Risen One / All You came to do you've done /  
On this Christmas we remember  
How love came down to set us free / From our sin and from our fear /  
Lord of All we bow our hearts  
To the wonder that You Are

And we thank you / Holy Lamb of God
