

A Worship Minute.....

Holy Lamb of God

By Gary Sadler and Steven V. Taylor /
Performed by Women of Faith Worship Team
Liturgical Dance by Anointed Joy

A virgin cried when you were born / Tears of joy and tears of pain /
As Heaven's angels watched in wonder
How could You the Ancient One / In the frame of man be bound /
Lying there with feet and hands
Fully God and fully man

Who could see and who could know / You had left Your kingdom's throne /
Baby crying in a manger
You had come to give Your life / As a holy sacrifice /
Nails would pierce Your feet and hands
For every heart and every man

Now You are the Risen One / All You came to do you've done /
On this Christmas we remember
How love came down to set us free / From our sin and from our fear /
Lord of All we bow our hearts
To the wonder that You Are

And we thank you / Holy Lamb of God
