

A Worship Minute.....

(from *Worship 365* – by David M. Edwards)

“The Bible contains no less than six hundred references to worship – and uses at least eighty-seven different Hebrew and Greek words to describe praise and worship. Worship is an activity that takes place throughout the pages of God’s Word. It existed before the earth was made and will be a part of the new heaven and earth that is yet to come.

Worship is the most important ministry of the church of the Lord Jesus Christ. Her worship *to* Him must come before her ministry *for* Him. Worship helps us individually and corporately to keep God first in our priorities. It helps us focus on Him and remember that it’s all about Him – not about us. Worship helps us to stay centered in a world that is constantly out of focus with what is important.”

“The chief end of man is to praise God and glorify Him forever”
