

A Worship Minute.....

-lyrics by Robin Mark

How He Set Me Free

When at my worst He still loves me,
Willingly died, nailed to a tree.
Whether I might turn, or not,
To seek His face, He took on my sin.
For this is how He set me free,
My Jesus Christ, He died for me.
He sees my weaknesses my faults
He knows them all but they matter not
For every stain sin left on me is washed away
By One so clean
Well this is how He set me free,
My Jesus Christ, He died for me.

Chorus

Such amazing grace that saved a wretch like me
Such unending love, and I can't help but sing
Cry out for our sin has been paid for
Come sing of this love this great mercy
Sing out for our king has redeemed us
We share in His cross, His victory.
