Fall Worship 2016 will be an enthusiastic worship through music, singing, liturgical dance and teaching. This fall, the service theme will be “*Love That Came for Us,*” reflecting on God’s grace and care for us. Young and old, bring yourselves, your family and your friends, as we praise God together! There will be a refreshment time following the event, in the church Hall, where we can enjoy fellowship together. If baking is one of your talents, please consider supporting this event by baking some goodies. If you are able to assist in this capacity, please put your name on the sign-up sheet located on the Narthex table. To find out more about this event, please contact Brian M.

Please be aware that there will be a brief **BAZAAR WRAP-UP MEETING,** following today’s service, in the Parlour. Once again, your help in making this year’s Bazaar a successful church event is very much appreciated —

LIVING FAITH

In every generation, the church needs to confess its faith anew. That confession must, at one and the same time, be the ancient faith of the church and yet spoken into the mood and questions of its own time. "LIVING FAITH" endeavors to do that. This *Statement of Christian Belief* was prepared under the direction of the Committee on Church Doctrine of The Presbyterian Church in Canada. It has been received by the General Assembly of the church and commended as an acceptable statement, and as useful in both worship and study.

CHAPTER 4.3.1-4.3.2: The Holy Spirit Forms and Equips the Church

By the Spirit, Christ calls the church into being and unites us to Himself and to each other. The Holy Spirit is in all who know Christ. The Holy Spirit is the Spirit of truth. We pray, as a church, to be guided into truth, knowing that such truth may disturb and judge us.

RECOMMENDED READING

“More than Money” by Calvin T. Partain: We live in a culture where apps and online calendars manage our time, events, and banking. But all this management will be meaningless in eternity unless we have applied the biblical principles of stewardship to every aspect of our lives. *More than Money* offers a modern day, relevant perspective that empowers you to apply the concepts of whole-life stewardship.

“Encountering Angels” by Judith MacNutt: What role do these heavenly beings play in our life today? The goal of this volume is to demystify the realm of the angelic and to bring you into greater understanding of the angels function in God's plan of salvation. You'll learn how to be equipped to do the work of ministry by partnering with God and His variety of angels.

“Break Through Prayer” by Jim Cymbala: Many people are missing the great things God wants to do in their lives because they don't know how to receive answers to their prayers. Not a step-by-step guide on how to pray, *Breakthrough Prayer* is an inspiring vision to move you to greater hope as you see the tremendous potential of prayer. *Breakthrough Prayer* explores questions such as: What is the connection between how you live and how you pray? What are the prayers that really have power with God? How can you learn to recognize God's answers to your prayers? Jesus said and did only the things he received from the Father. When you do the same, the real potential of your life will unfold, and prayer will enable you to receive all that God has for you.

“Spiritual Warfare in a Believer's Life” by Charles Spurgeon: Spurgeon was a seasoned veteran in meeting Satan at every corner and defeating Satan in the power of the gospel. But in keeping with his practical style, there was nothing abstract, ethereal, or mystical about Spurgeon's teaching. He directed his focus to where he found Satan at work in the lives of people - enslaving them in sin, keeping them from the influence of the gospel, hindering their spiritual development, bringing discouragement, depression, and moral failure. These life-changing messages of Spurgeon will meet you where you live and help you become more than a conqueror in spiritual warfare.

“How to Pray for Healing” by Che Ahn: This book is an account of the author's personal journey through healing and into a healing ministry. With a simple and down-to-earth style, the author demystifies the idea of healing the sick through prayer. His goal is to encourage others to use the power of prayer as a main line of defense. He explains the basic theology of healing and how to pray for yourself and others. There is also a section that discusses the times when God does not heal. Should we always expect healing? This introduction to the subject of prayer and healing balances the miraculous with the practical.
