

Worship Minute by Mark Cole: Attitude of Worship: Joy... "When my grandkids look up at me and smile, it lights up my heart. Jesus said, *'I have come that their joy might be full.'* God's desire is for us to be joyful. God loves it when His children are full of joy. Too many times in life we feel beaten down. Too many times we feel defeated. God doesn't want us to feel that way. He wants us to remember that He is on our side. He wants us to remind ourselves of how far we have come. God wants us to come into our worship times with joyful songs. Psalm 100 says it this way: *"Worship the Lord with gladness. Come before Him, singing with joy. Acknowledge that the Lord is God! He made us, and we are His."*

Keep the conversation going: What is your favourite worship song? Why? *(Connect with one of the children or youth after the service, or during the week!)*
