In addition to our regular collection of our tithes and offerings **today**, we will also be taking up a **LOVE OFFERING**, in support the Community Outreach Program, for the purchase of certain sundries, food vouchers, bus tickets, etc. Special envelopes have been provided in your bulletin, and donations will be credited for Income Tax purposes. We hope that you will prayerfully consider making a donation, as you are able.

It is with **HEARTFELT SYMPATHY** that we mourn the passing of our friend, **Lynn M.**, this week, following a long illness. We celebrate that Lynn is reunited with his wife, Kay, under the good care of our Lord. A Memorial Service will be held at St. Andrew's on **Saturday, July 8th**, and a reception will follow in the church Hall. *Further details to follow.*

NEW ASSISTIVE LISTENING SYSTEM FOR ST. ANDREW'S: We have purchased an assistive listening system from ListenTech, which is designed to help those who may have hearing challenges. In using this system, individuals wear a small receiver around their neck, using an attached lanyard. Each receiver has an earpiece or headphone which the user wears. It is easy to use and very effective in amplifying sound for the user. If you think you may wish to use this system, please speak to Brian M.

SUMMER SUNDAY SCHOOL & NURSERY PROGRAMS - the fun to continue each **Sunday this summer!** We are a church family committed to ministering to all ages, and so we are asking for volunteers to help us continue with our kids' programs this summer. Please speak with Kate T. or Emily F. to lend your help to Sunday School or Nursery. Come join us and make some new, little friends!
