

LIFE of the CHURCH – Sunday, June 25th 2017

BIRTHDAYS: * Tristan B., turns 9 years old tomorrow!
* Jessica M., turns 17 years old on June 30th!

The **SUMMER NEWSLETTER** is available today! As per usual, the newsletter has been laid out in alphabetical order, by surname, so please ensure that you pick up the copy with your name on it. If you have already received your newsletter by email, you will not receive a printed copy. Thanks to all for your contributions!

NEW ASSISTIVE LISTENING SYSTEM FOR ST. ANDREW'S: We have purchased an assistive listening system from ListenTech, which is designed to help those who may have hearing challenges. In using this system, individuals wear a small receiver around their neck, using an attached lanyard. Each receiver has an earpiece or headphone which the user wears. It is easy to use and very effective in amplifying sound for the user. If you think you may wish to use this system, you can pick up a receiver and ear piece from the table at the Sanctuary entrance. Please return receiver at the end of the service. If you have questions about the system, please see Brian M.

Please be reminded of the **MEMORIAL SERVICE** for our friend, Lynn M., which will be held at St. Andrew's on Saturday, July 8th (more info to follow). A reception will follow in the church Hall.

Today marks the **LAST SUNDAY of our regular Sunday School year.** We would like to give our KidMin Team a break over the Summer so we are asking if you would **please sign up to help in our Sunday School or Nursery one Sunday.** The sign-up sheet is on the foyer table. Thank you for ministering to our young ones! For more info please see Kate or Emily.

This is the **LAST WEEK OF SCHOOL** for our teachers, kids and their families. We wish you a much deserved summer holiday full of rest, fun, and safety. We will be praying for you throughout the summer with the Church Family Prayer Calendar. We trust God will bless you all richly - grandparents, aunts and uncles, all family, as you spend time together!

SUMMER PRAYER CALENDARS for July and August are now available for pick-up on the Narthex table. Please join our Sunday School kids as they pray for each other and for our church family!
