

A WORSHIP MINUTE

Romans 8: 18-39

Romans 8 is all about life in the Holy Spirit of God and the glory of God. Paul drives the point home that God's glory must be primary in our lives and not our current struggles or sufferings.

God always has something better than we can ever imagine in store for us.

- Think of a time in your life when you faced great challenges or difficulties.
- Were you able to glorify God in the midst of your challenges, how, and if not why?

Paul reminds us that nothing can separate us from the love of God that is in Christ Jesus our Lord, and yet, at times, we feel as though God is far from us.

Paul suggests (in Romans 8 verses 38 and 39) that only we can choose to separate ourselves from God, and that nothing of this world can do this.

- Do you agree with Paul, if so why, and if not why?

Consider these things and anything else God puts on your heart as you worship and glorify Him.
