

## **A WORSHIP MINUTE**

In the readings from 1 Corinthians and Romans for this week Paul uses the term "saint"; which he does 60 times in his letters. The concepts of "holy people" and "saints" are hugely significant for Paul.

When you think of a "saint" who and what come to mind?  
Do you ever think of yourself as a saint, why, or why not?  
What do you think makes a person a saint?

Ponder these and any other matters God places on your heart as you prepare to worship Him as Father, Son, and Holy Spirit.
