

A WORSHIP MINUTE

2 Samuel 7: 18-29

2 Samuel 12: 1-13

This week's passages from 2 Samuel outline the passionate nature of David and his relationship with God.

- In the first passage David claims God as Sovereign Lord 7 times; including 5 times in the first 5 verses.
 - David is not beating around the bush or wasting time he is claiming God's goodness, beauty , and truth boldly.
 - Things change when we have the confidence and trust to do this in our lives too.
 - This claiming of God's Sovereignty enables David to own up to some of his shortcomings (see our second reading).
-
- Have you ever claimed boldly the sovereignty of God in your life?
 - If so, how did it feel?
 - If not, why not?
 - What does it mean to claim God as sovereign Lord of our lives? the universe?

Ponder these and any other matters God may be placing on your heart as you prepare your heart to worship Him in community this Sunday.
