

## **A WORSHIP MINUTE**

**Jeremiah 18: 1-23**

**Isaiah 64: 8**

- Isaiah makes it abundantly clear that we are clay in the hands of God.
- The prophet Jeremiah paints a beautiful picture of what it looks like having God's hands ever around us shaping and moulding us.
  
- Have you ever thought of yourself as clay in God's hands?
- How do you imagine and experience God fashioning you and your life in His hands right now, 5 years ago, 10 years ago, 5 years from now?
- What does it mean to see yourself as being shaped by God's loving and saving hands?

Consider these and any other matters God brings before you as you prepare to worship Him this Sunday.
