Holy Week and Easter are the very heart of our faith as Christians.

We are so richly blessed this time of year with multiple opportunities to worship and journey with Christ to the Table, the cross, and the empty tomb.

"Good Friday and Easter free us to think about other things beyond our own personal fate, about the ultimate meaning of all life, suffering, and events; we lay hold of a great hope."

Dietrich Bonhoeffer

"The stone the builders rejected has become the chief cornerstone; the Lord has done this, and it is marvelous in our eyes." Psalm 118: 22-23 (NIV 2011)

May we glorify God together this Holy Week and Easter season.
